Experience

Freelance Graphic Designer and Illustrator
Toronto, ONT. Fall 2021-Present
Did freelance work from home while completing my studies. During this time I did some illustration work, logo design, and web-page design.

Independent Game Design and Development
Toronto & Oakville, ONT. Jan 2019 - Present
Created and sold 4 games on marketplaces such as Steam. I worked alone and did every step of design and development. Currently working on a fifth game targeted for multiple platforms.

Artist
Toronto, Oakville, Ottawa, ONT. Jun 2009-Present
Worked as an artist and sold art in a number of ways such as the Arts Market, commissions, a personal website, and Etsy.

Instructor at Real Programming 4 Kids
Toronto & Oakville, ONT. Spring 2016- Winter 2017
Taught kids in groups of 1-6 and ages 4-18 how to make popular games and game art. While there I taught in several programming languages and many art and animation styles.
